### **PRESS RELEASE**

#### **Corning Incorporated Foundation supports Habitat for Humanity of York County's Wells Build**

**Kennebunk, ME** — Habitat for Humanity of York County has received a grant from the Corning Incorporated Foundation to assist with their 28th home building project located in Wells. The Carter family, Shannon, Charles and their two young sons, has been chosen as the Habitat Partner Family for the Quarry Road Build in Wells. The support from Corning Incorporated Foundation assists Habitat for Humanity in addressing affordable housing challenges in York County and helping families like Charles and Shannon build their own home in York County.

Habitat for Humanity of York County serves hardworking low-income families who show a demonstrated need for improved housing, a willingness to partner by completing "sweat equity" in the building of their own homes or the homes of other Habitat families, and the ability to repay an affordable mortgage.

"Access to affordable housing is necessary for a family's long-term financial stability and growth," said Amy Nucci, Habitat for Humanity of York County's Executive Director. "We're pleased to have the support of the Corning Incorporated Foundation for both the new Wells Build and the Cole Road Build in West Kennebunk which is nearing completion. Our thanks also to the employees from Corning Incorporated in Kennebunk who have volunteered to help build the Cole Road home. When people come together and work side by side, great things happen. Two families now have the opportunity to live in safe, durable, energy-efficient homes."

Habitat has many opportunities to volunteer on the Wells Build, at the ReStore, in the office or assisting with weatherizations. Anyone interested in participating or donating to Habitat is encouraged to call the HFHYC office at 985-4850 or visit the website at [www.habitatyorkcounty.org](http://www.habitatyorkcounty.org).

#### **About Habitat for Humanity York County**

Habitat for Humanity York County, the local affiliate of Habitat International, was incorporated in 1985 as a non-profit builder of affordable homes in partnership with low-income families, community volunteers, and local businesses. Our mission is to work towards the elimination of poverty housing and homelessness in York County and to stir the hearts and minds of others to take action on this issue.
